

Philae Temple, Unfinished Obelisk and High Dam – One Day Sightseeing Tour

📍 Aswan.

Duration	Tour type	Group size	Runs
 8 Hours	 Private	 Private	 Everyday

Overview

Enjoy an exciting [Aswan day tour](#) to the Philae Temple, the Unfinished Obelisk, and the High Dam where you will get to see famous Aswan landmarks. Discover the beauty of the Philae Temple, dedicated to the Goddess Isis, situated on an island in the Nile River, and marvel at its intricate architecture set against a serene background during your Philae temple tour.

Next in your Egypt trip, see the great Unfinished Obelisk in Aswan, which still shows techniques used for creating stone blocks in ancient times. Seeing the Unfinished Obelisk, where you can observe how enormous stone blocks were cut using crude tools centuries ago, still brings out a lot of excitement. As part of your [Aswan](#) sightseeing, you can enjoy a memorable Philae temple tour and explore the Aswan Philae temple.

At the end of your [Egypt day tour](#), you will visit the High Dam, another engineering marvel grasping the Nile ever so closely and diverts its flow, along with countless other functions of irrigation. This Aswan day trip to Philae Temple completes an unforgettable experience in southern Egypt.

Itinerary

Day 1

Trip to Philae Temple, Unfinished Obelisk and High Dam

This full-day itinerary covers some of the best things to do in Aswan, giving you an immersive experience of the city's top historical and cultural landmarks. After having breakfast at your hotel, a professional guide will pick you up in a private air-conditioned vehicle for a whole day to explore some of Aswan.

Philae Temples

You'll stop first at the spectacular Aswan [Philae temple](#), dedicated to the goddess Isis, offering insight into the ancient religion of Egypt. While exploring halls and shrines with intertwined depictions, your guide will give you a dramatic account of the complex relocation. After the High Dam was completed, the complex was relocated to protect it from flooding.

Unfinished Obelisk

Your trip will now lead you to the [Unfinished Obelisk](#), an imposing yet graceful hunk of stone partially carved from the rocks in an ancient quarry.

The High Dam

It stands as your next scheduled attraction because its completion brought permanent transformations to Egypt's economic system and environmental reality. A guide will describe how the [Aswan High Dam](#) functions as a vital water management system for Nile River flow control while stopping floods, creating power, and irrigating extensive agricultural land areas.

Once you are done with your [Egypt tour](#), you will be safely transferred back to your hotel.
